Online play is only taken into account when and where needed, Lo. Loss and the company of the co

2. [Sweden] Ninjas in Pyjamas

Partirs 'forest' Lindhedery side won Intell Extreme Masters (IEM) Oakland over SK in the grand final, building on the semifinal finish at ESL Pro League Season of Primais is Soo Partie -floop the leature work Mikall' Makladel-fill, before Jacob 'poly' Mountqu'er terumed from his nipsy. The Sweden also made ployfort at ELangue, where they will fixe of with Antralian sets wock for a spor in the final four at yet another event. NP will not be at Dramslatek, but till have a she at equalifying the EX Season a Planta, and will attent the major qualifier in mid-Doember. They often park up after roster moves, so it remains to be seen where this team stablizes after more works with pyth.

3. [Denmark] Dignitas

4. [Poland] Virtus.pro

The Pollah side of Januar "Snax" Pogorzelaki took down SK at Epicenters Moscow to place second and topoged the ELeague group over NiP, but have not attended tournaments since. The team focus he not statend SE 17 De Cargue Season a Finals (EPF1) at the last minute, and withdrew from IDM Oskland. Traditionally the Polse have been at their lest the largest events, and with the \$1,000,000 ELeague playoffs in the horizon next work, are expected to be maning the pack of their powers. They could skyrocket to the top of the list by end of next week, but right now they are hunt by their inactivity.

5. [Denmark] Astralis

Lakes "glave" Rosander's team has only attended two tournaments after he joined, topping group Cof ELeague over SK and placing top four at IBM Olakand, Josing to the same SK team in a dose series. It is all lawly while glave herize, joined in late October, but early signs are promising—the new Astralia could finally so hack to competing for their something, superstar Nicolai "device" Roedtz seems destined for. The Danse will meet be tested at ELeague in the quarterfinals against TNJ, and are being to occurs a spot at the ECS Season a Finals in Anabetim in the final rounded of online play.

While the best team from North America went out in groups at IEM Oakland, it had y > a and z + i6 losses against $P_0 Z$ and NP, respectively, which could have gone either way and tazinghold the sequel into the playoffs. Worryingh, the IEU/TOWER Matters loss the previous weekend to Immortals shook the ground below them, to more of this is enough to discount the title at IEPU. Season a final swith series win over SK. Timothy' sutrainstic' This team needs seculiated and the series win over SK. Timothy's witnessing to the count of the seculiated and though or we may need to reconsider whether the honoymoon period might be over, we may need to reconsider whether the honoymoon period might be over.

7. [Europo] FaZe
When glave joined Astrolis, the Danish side benched Finn "karrigan"
Andersen, who had led them since January 2010, Now karrigan leads FaZe, who also brought back Fallen "kideSilkhit Finy in November to replace Norwegian to All Part of Station" had "kides "kides" kides "kides "kides "kides" kides "kides "kides "kides" kides "kides "kides

8. [Brazil] Immortals

Brazil's number two team took a huge gamble on former SK coach Willom "news" Prado, but after some of vewak results, culminating in last place flaitless in Sto Paulo at EIT, Beauce of Paulia and Eugeny, chose to replace him with former SF player Leans *Heat* [10-pas. The team proceeded to win IBUTPOWER Menters over Coalsy. *Hough slamitless] in a nation with little at stake— and lammariah is similar to Cloudy on a smaller scale - hospymoon period producing develored sensitis, which they now need prove can become the new norm. Its next shot will be at ECS Season a Finals.

The fall of Na 'V after the ISIs. One New York championals) and the top four placing at Bjennter Moscow has been odd to worth - and no matter how you placing at Bjennter Moscow has been odd to worth - and no matter how you can cli, the results have melay not been good. Not kjedged ISIs. The Ossis Season of Fanka and falled to qualify for IE.eague playoffs, and last weeked Season of Fanka and falled to qualify for IE.eague playoffs, and last weeked better the contract of the object ISIS Osladan. How one of the object is the object of the object of the two two can alway of the major in January, Na 'V' missed out on ISIS Seasons at an advantage of the object of time to practice.

10.[North America] OpTic

The second North American team, and fourth team residing in the Americas, to be on the list is OpTic, whose roster also features a Spanised in Oscar "microeff Creatles, ONTic placed glo-field in So Planis, won Northern Arena over Oz, and qualified for ELeague playoffs by besting Ela-Vijls. This seems to over Oz, and qualified for ELeague playoffs by besting Ela-Vijls. This seems to be a team on the first, with allowly improving results ever since they first turned be a team on the first, with allowly improving results ever since they first turned beating to DemantLed William this work, qualified for ECS Season a Finals, and will also attend the sandy qualifier to close out the year. Busy period sheed as they try to scale up their ranking.
