In the third season of FACEIT's ECS, Super Week has been played in recent days. mousesports disappointed and missed the finals.

The ECS is behind the ESL Pro League the most prestigious online league in Counter-Strike: Global Offensive. Four places on the offline finals have been fought for in recent days.

Duel for fourth place

mousesports did not have a good week. Of six maps, the mice could win only one. As a result, they no longer have a chance on the offline finals.
