

Team Fortress 2 lands on Face It for a healthy competitive experience

Through **teddy bear** - March 13, 2021

Face It, the competitive platform, **has just announced** the arrival of Team Fortress 2 **on March 20** . It will offer a 12vs12 experience without bots and cheaters. Well, in theory. There will be no limitation in roles but random crit, automatic team balancing and *bullet spread* will be disabled. You can read the announcement **at this address** for details.

The available cards will be as follows:

- ctf_2fort
- cp_dustbowl
- pl_upward
- koth_harvest_final
- ctf_turbine
- pl_badwater
- plr_hightower
- pl_swiftwater_final
